

How to Navigate the 2022 Joint MMM-Intermag Conference Virtual Platform

We are excited to welcome you to the 2022 Joint MMM-Intermag Conference! The 2022 Joint Conference will offer both in-person and prerecorded on-demand content. Read on to find out how to access the on-demand content.

HOW DO I ACCESS THE VIRTUAL CONFERENCE SITE?

Registered attendees will receive an email on Wednesday, December 29 from our virtual Conference platform provider, Underline. This email will contain an “Event Ticket”. You just click on the link provided, create your own account and password if you do not have one already on Underline, and you will instantly have access to the virtual Conference platform. There is nothing to download!

Attendees who register on or after December 29 should receive their Event Ticket within 60 minutes of completing the registration form.

If you have any issues accessing the virtual Conference platform, email mmm-intermag22@underline.io.

ARE THERE ANY BROWSER REQUIREMENTS?

YES! The platform works best with the latest version of Google Chrome. [Click here to view additional details about supported browsers.](#)

HOW CAN I LEARN ABOUT USING THE VIRTUAL PLATFORM?

We highly recommend you watch this video below which gives a brief tutorial on how to navigate the virtual platform and its features.

WHAT PROGRAMMING IS AVAILABLE ON THE VIRTUAL PLATFORM?

All presentations have been prerecorded and will be available on-demand starting Wednesday, December 29. Attendees can view the presentations as their schedules permit and submit questions to the speakers via the Q&A boards.

There will also be limited live programming on the virtual platform for the Virtual Women in Magnetism Event, the Virtual Entrepreneurship in Magnetism Special Session, and the Virtual Meet the Experts session (pre-registration required for Meet the Experts only). More information below under **LIVE EVENTS**.

During the Conference week (January 10-14, 2022), onsite registrants will attend in-person talks, Q&A, and networking events in New Orleans. All Symposia talks given live in New Orleans, as well as the Current Trends in Magnetism Special Session, the IEEE Awards Ceremony, Plenary Session and Magnetics Society Annual Meeting will be recorded and posted on the virtual site the week following the conference.

All content will be available on the virtual platform through March 15, 2022.
